Dear Roberto

In our regular reviews of student evaluation questionnaire results for AMBS's taught programme portfolios, it is always a pleasure to be able to highlight instances of excellent teaching. 'Excellent' in this context is defined as a personal teaching score of 4.5 or above on a course unit, with a response rate of at least 15% and a minimum of 8 responses.

We are delighted to let you know that your teaching on BMAN71152 Corporate Finance in semester 2 this year has been identified as excellent within this process. This is a commendable achievement, particularly in this challenging year, and we would like to thank you for your commitment to teaching and your contribution to our students' learning. Your good practice in teaching at AMBS is much appreciated.

Yours sincerely
